Refer to Attached Complaint Summary:
 On July 13, 2021 I was verbally abused, misdiagnosed with opioid use disorder as a punishment for needing treatment for my chronic pain and abandoned by my primary care doctor Clint Strong MD. Also abandoned and misdiagnosed by nurse Dan Edlins. Several Emergency visits and Doctor visits to Cox Health providers and no one will listen to me. Everyone refuses to treat me because of this diagnosis and I'm being forced to pretend I am not disabled just to keep getting my other prescriptions. I am being forced to take Suboxone and lied to about it being a pain medication. I'm terrified of my future because if I'm just going to be abandoned and lied to it makes me want to give up and just die.

IV. Relief

State briefly and precisely what damages or other relief you want from the Court. Do not make legal arguments.

To have my reputation back like before I was falsely diagnosed with an Opioid Use Disorder. To as soon as humanly possible refer to Department of Justice to investigate. Order a pain management doctor to treat me. If none of this is possible 5 million Dollars.
